

The Final Decision of We The Sovereign People of the Republic of these United States

**By and For
WE THE SOVEREIGN PEOPLE OF THE UNITED STATES OF AMERICA:
FIRST AMENDMENT PETITION OF WE THE SOVEREIGN PEOPLE
FOR REDRESS OF GRIEVANCES**

**PREAMBLE TO
THE PETITION OF WE THE SOVEREIGN PEOPLE
FOR REDRESS OF GRIEVANCES**

“Congress shall make no law respecting¹ ... or abridging² the... right of the people to petition the Government for a redress of grievances.” First Amendment of the Bill of Rights, amending The Constitution for the United States of America, ratified by We The Sovereign People on December 15, 1791. [The intent and purpose being that the National Government by the Legislative Branch shall not enact *any* legislation that in any way even looks toward, nor in any manner deprives the Sovereign People of, the Right to Petition the Government for a Redress of Grievances; an overt command securing that Right by and in We The People in perpetuity - forever.]

It having become necessary for We The Sovereign People of these United States to re-assert our Freedom to exercise the Laws of God guaranteed by and to Us through The Constitution for the United States of America, a decent respect to the laws authorized by that Constitution and those God-given Rights of the Individual Citizens guaranteed by it, require that we declare the causes which impel us to action by Petition for Redress of Grievances guaranteed us through the First Amendment of the Bill of Rights.

Having declared that all men are created equal and endowed by their Creator with certain inalienable Rights, among which are Life, Liberty, and Property; to secure these rights, We The Sovereign People instituted the Government established through the aforementioned Constitution, which derives its just powers from the consent of the governed; such that whenever that Form of Government becomes destructive of these ends, it is the Right and Duty of the People to take corrective action and demand that the circumstances endangering those just ends be immediately ended by necessary means; swiftly and conclusively imposing the sovereignty of We The Sovereign People over the usurping Government(s); effecting our Safety and ensuring our Right to Life, Liberty, and Property.

Sovereignty resides in the American People. We The Sovereign People of these United States established the National Government through The Constitution as ratified by the People in the several States. Likewise, all Constitutional Amendments are required to be ratified by three quarters of the several States. These facts are evidence that the People identified Ourselves as Sovereign to determine the duties and limits of our government. Our application of this principle to adoption of written constitutions on the state level is further proof of our declaration that the People are Sovereign.

This truth has been obscured and Our Popular Sovereignty is being wrested from We The Sovereign People by the Three Branches of the National Government, and by our own local and state governments. Numerous requests for acquiescence to We The Sovereign People and The Constitution, have gone forth unheeded to Our Legislators, Executive, and

¹ respecting: *v.t.* 5. to look toward; to front upon or in the direction of.

² abridging: *ppr.* 3. to deprive; to cut off: followed by *of*; as, to *abridge* one of his rights or enjoyment.

Judiciary. Now, it is for Us to arise and demand recognition of OUR SOVEREIGNTY ANEW.

We The Sovereign People have, again, shown, in the Course of 236 years since Declaring Our Independence, that we are, indeed, most reluctant, while evils are sufferable, to rise as a People in defense to demand redress of our grievances. Such has been the patient sufferance of We The Sovereign People of these United States for at least a century. But when a long history of abuses and usurpations pursuing the same Object evinces a design to reduce us under absolute Despotism, and has now continued without abatement to the present final stages of that design, it is our Right - it is our Duty - to correct such Government.

Such is now the necessity that impels We The Sovereign People to halt the subversion of our Government occurring through the present usurper of the Office of the Presidency and his implementing minions; who, under his direction, are actively subverting these States and Our Free American Republic to enslavement under tyrannical collectivist governance by destroying the Individual Liberty found in the God-given rights guaranteed by We The Sovereign People through The Constitution.

Now, We The Sovereign People are faced with grave and imminent danger to Our Lives, Security, Safety, Liberty, and Property from the National Government and all other levels of American Governance; which have usurped power not vested therein and wreak havoc in our lives with onerous and unconstitutional laws, rules, regulations, and theft by redistributive taxation. The National Government and all other levels of American Governance are subverting and perverting Government Of, By and For the People, whose mandate is the protection of Individuals and Individual Liberty, to transform this Free American Republic to subjugation of the Lives and Property of We The Sovereign People under a tyrannical collectivist Regime.

Those Governments have been manipulated through more than a century by collectivist Powers seeking to subvert and rule this Free American Republic. The present usurper Occupying the Office of the Presidency of these United States, a Person calling himself "Barack Hussein Obama," [hereinafter also referred to as, "Obama"] and his cadre of subversive minions, now work to conclude that design of absolute Despotism with and for said collectivist Powers. As set forth in The Petition for Redress of Grievances, hereinafter appearing, these Powers, through "Obama," have quickened attainment to that goal by fraudulent usurpation of the legitimate powers of said Office as he implements the design to reduce us under absolute Despotism. "Obama's" occupancy of the Office of the Presidency began under deliberate and criminal obfuscation of his ineligibility to hold the highest Executive Office in the Land. He continues in the Office and in the deliberate design to transform this Nation to a collectivist Vassalage, in unfettered treasonous and otherwise criminal actions that are destroying We The Sovereign People and Our Free American Republic.

As the true Sovereigns of these United States and Our Free American Republic, We The Sovereign People herewith CALL UPON the SEVERAL STATES to ACT by this Petition, to exercise that Sovereignty and SAVE Our Republic from the Revolution now waged by the collectivist Powers through the usurper in the Office of the Presidency, systematically, with deliberate intent, transforming this Free Republic to meet their collectivist end.

We The Sovereign People in Our Capacity of Popular Sovereignty, put forth herewith, to the several States, Facts to be acted upon to SAVE Our Endangered Nation - and to be witnessed by a candid world - through this Petition for Redress of Grievances By and For, We The Sovereign People of these United States, through the First Amendment of the Bill of Rights to The Constitution for The United States of America.

FIRST AMENDMENT PETITION OF WE THE SOVEREIGN PEOPLE FOR REDRESS OF GRIEVANCES

COME NOW, the AMERICAN PEOPLE in Our Capacity of WE THE SOVEREIGN PEOPLE of these United States, through the SEVERAL STATES, to PETITION Our GOVERNMENT for REDRESS OF GRIEVANCES, through the First Amendment of the Bill of Rights of The Constitution for the United States of America. Alarmed and impelled by the current state of affairs in the Office of the Presidency of the United States of America, being resolved to learn true facts, We The Sovereign People having reviewed and studied the current and past status of one “Barack Hussein Obama” (the name used by the Person occupying the Office of President of these United States), have apprehended sufficient evidence to disprove his identity claims. There being numerous further Charges against him, both enumerated hereinafter and reaching beyond those specifically included herein, this Petition is not limited to those claims set forth hereinafter.

TO WIT: 1. We The Sovereign People, through extensive investigations and inquiry, determined that the said Person currently known as “Barack Hussein Obama” is not a “natural born Citizen” nor born on United States Soil; 2. there is a high likelihood that his legal name is other than “Barack Hussein Obama;” 3. there is a high likelihood that he is currently using another person’s Social Security Administration Number; 4. a Selective Service “irregularity” is alleged and is under further investigation; 5. other alleged charges are also pending.

WHEREAS, “Obama” claims to be born of one parent who was *inarguably* never a Citizen of the United States of America, and borne by another parent who, if held at the time, did not hold United States Citizenship in her majority for the required length of time for her Citizenship to extend to the child upon birth on foreign soil. Such child could not be born into Citizenship, let alone be a “natural born Citizen,” of the United States.

HENCE, it is clear the Person known as “Barack Hussein Obama” can not be a “natural born Citizen” of the United States by any legal definition, as intended and required by Article II. Section 1. par. 5, of The Constitution for the United States of America, for any Person eligible to the Office of President.

WHEREAS, it appearing that, if “Obama” was ever a Citizen, he would have lost that status when his stepfather, Lolo Soetoro, took him to Indonesia and adopted him as “Barry Soetoro,” legally nullifying whatever citizenship was held by the minor child, and conferring upon him Indonesian Citizenship. There being no evidence presented, or found, that “Obama” was ever, either restored to United States Citizenship, or naturalized to such Citizenship, but there is ample evidence to underpin the claim that he: 1. under one or both names, “Barry Soetoro” and “Barack Hussein Obama,” “Obama: a. travelled under a passport other than of the United States, at least to Pakistan in 1981; b. was known to be a “foreign student” studying in the United States supported by foreign student funding; 2.a. “Obama” appears to have provided to his literary agency information claiming his birth in Kenya, allowing it to be used to promote his alleged literary work; b. such information is supported by an alleged Canadian “British Protectorate” birth record for “Barack Obama, Jr.,” in the country now known as “Kenya” during the alleged month of his birth; c. a voice recording captures his professed Paternal Grandmother stating he was born in Kenya; 3. on more than one occasion “Obama” has provided spurious “proof” of his birth; 4.a. “Obama” steadfastly refuses to provide proof of a legal birth record declaring his birth on American (or any) soil; b. regardless, the status of his parents requires that even if he had proof of American locale, he can not meet the eligibility requirement of “natural born Citizen;” c. further, as stated hereinbefore, whatever Citizenship he held was nullified in the Indonesian adoption; 5. “Obama” appears to be using a Social Security Administration number allegedly issued to a now deceased Citizen of the state of Connecticut; 6. “Obama” refuses to provide other, normal, commonly available information to We The Sovereign People that could tend to support some or all of the above claims and others not

enumerated herein (but ready to stand in evidence), or to counter said claims.

HENCE, We The Sovereign People must conclude that he is not eligible to the Office of President of the United States of America.

WHEREAS, evidence so overwhelming would be treated as *prima facie* if brought against any other person in these United States;

AND WHEREAS, certain of the claims hereinbefore appearing concerning the true origin of “Obama,” have been recent public revelations, confirming the ineligibility of “Obama” to the Office of the Presidency;

AND WHEREAS, it is common knowledge that “Obama” has blatantly disdained the constitutional Office of the Presidency and the Executive Branch; acting as a monarch not a constitutionally limited President of the United States representing We The Sovereign People: 1. He has committed high Crimes and Misdemeanors rising to the level of Treason and Tyranny that SHOCK THE CONSCIENCE, under color of usurped authority in the office he is ineligible to hold; 2. He openly and egregiously violates Article II: Section 1. par. 5, and Section 4, of The Constitution for The United States of America;

AND WHEREAS, “Obama” being ineligible to the Office of the Presidency as shown heretofore, every action he takes, or chooses not to take, in the Name and Authority of said Office, violates The Constitution and comprises an exhaustive Indictment upon which to REMOVE him from office IMMEDIATELY and SECURE him for TRIAL on CRIMINAL CHARGES;

AND WHEREAS, further charges include, but are not limited to: 1. Negotiating Treaties that abolish the Sovereignty of these United States; 2. Using every means he can to subvert Individual Liberty to effect imposition of collectivist tyranny by overthrowing the constitutional governance of these United States and Our Republic; 3. Supporting “his” Attorney General refusing to defend We The Sovereign People from racist intimidation at the polls, promotion of vote fraud, e.g. denying the state of Florida access to immigration records for voter qualification purposes, and actively inciting the Congressional Black Caucus and Black

Church Ministers to fight voter ID laws, falsely claiming such laws are intended to keep Black and Hispanics from voting; 4. Egregiously compromising the Security of these United States among the Nations, e.g. UNILATERAL DISARMAMENT; 5. Giving Aid and Comfort to the Enemy: a. HAMAS in Israel's Palestinian Territory; b. Al Qaeda in Libya, et.al.; c. UNILATERAL DISARMAMENT; d. abandoning ALLIES; 6. Imperiously waging War with American Lives and/or Treasure, without consulting Congress, nor obtaining Congressional Declaration of War; 7. Imperiously imposing the unconstitutional Gulf Oil Drilling Moratorium; 8. Blatantly disregarding Federal Court Orders re: his unconstitutional Drilling Moratorium; 9. Blatantly disregarding Federal Court Decisions re: unconstitutionality of "Obamacare" - "healthcare reform" - legislation; 10. Issuing Executive Orders that violate The Constitution; 11. Compounding the fraud of ineligibility to the Office by signing Acts of the United States Congress; 12. Subscribing the name "Barack Hussein Obama," without verification that it is his legal name, to Acts of the United States Congress; 13. Colluding: a. with the previous Majority of the Whole Congress to unlawfully force passage of unconstitutional and other repugnant laws; b. with the current Majority of the Senate, to refuse Consideration for Assent to, or Rejection of, Laws legally passed by the House, and in the refusal to Perform Constitutional Duties; 14. Unconstitutionally appointing unconfirmed "czars" to dictatorial positions over the affairs and lives of We The Sovereign People; 15. Supporting "his" Attorney General and Department of Homeland Security in REFUSAL TO PROTECT We The Sovereign People and the Nation, from Invasion of our Borders and the flow of Illegal Alien Invaders and Contraband throughout the Nation; aiding and abetting illegal supply of guns to Mexican criminals *in Mexico*, through "Fast and Furious," leading to the death and/or injury of *at least two* United States Border Patrol Agents and untold Mexican Nationals IN THEIR OWN SOVEREIGN NATION; 16. Suing States, and a lawful County Sheriff, for defending our Borders and We The Sovereign People, by implementing laws promoting self-preservation through legal enforcement of Immigration and Naturalization laws in the face of "Obama's" TREASONOUS REFUSAL to

enforce said laws; 17. Continuously lying to We The Sovereign People, in furtherance of his fraudulent occupancy of the Office of the Presidency.

CONCLUSION: it is DETERMINED by We The Sovereign People, that this Person known as "Barack Hussein Obama" has committed, and continues to commit, a heinous and criminal fraud upon the Nation and We The Sovereign People, in blatant and treasonous contravention of The Constitution and its Sole Purpose: Preservation of the United States of America for We The Sovereign People and our Posterity. Expediency requires that We The Sovereign People not fail to also CHARGE that, *even if* the said Person currently known as "Barack Hussein Obama" were to be found constitutionally eligible to the Office he currently occupies, certain and numerous actions he has taken, or not taken, constitute high Crimes and Misdemeanors rising to the level of Treason and Tyranny, and CRY-OUT for REMOVAL from said Office by, at the very least, "Impeachment and Conviction of Treason, Bribery [in the event of conviction of alleged bribery attempts upon Reverend Jeremiah Wright], or other high Crimes and Misdemeanors," in accordance with Article II. Section 4, of The Constitution.

THEREFORE, due to the EXTREME EMERGENCY and IMMINENT DANGER in which this state of affairs places the National Security of these United States and Our Republic, We The Sovereign People, by and through the several States: 1. DEMAND that said Person known as "Barack Hussein Obama" be REMOVED IMMEDIATELY from the Office of the Presidency, by appropriate Sovereign Action: a. by the Attorneys General of the several States through this First Amendment Petition of We The Sovereign People for Redress of Grievances directly; b. by the several States under this Petition by Order of the Congress (and/or the Judicial Branch); c. implemented by United States Marshal(s) backed by the United States Military; d. by the Chief of Police of the District of Columbia; e. by other appropriate means; until such time as a thorough, complete, and impartial investigation - open to We The Sovereign People - is implemented by the Attorneys General of the several States; 2. an impartial, complete Congressional Investigation shall concurrently take place.

FURTHER, We The Sovereign People DEMAND that a Special Prosecutor be installed by the House Judiciary Committee, to perform a separate, thorough, independent and impartial investigation - open to We The Sovereign People - without interference from the Congress, the Federal Bureau of Investigation, or any functionary of the Executive Branch, but in conjunction with the Attorneys General of the several States.

FURTHERMORE, We The Sovereign People DEMAND that, as Fruit of the Poisonous Tree: "Obama's" unlawful Occupancy of the Office, each and every Supreme Court Justice, Cabinet Level Appointee, Administrative Czar, Head of every Executive Branch Department, and any and all Government Employees appointed, installed, or approved by "Obama," his subordinates, or agents, be REMOVED IMMEDIATELY from their positions, and Each and Every One be investigated under direction of the Attorneys General of the several States, the concurrent Congressional Investigation, and the Special Prosecutor of the House Judiciary Committee for all Crimes, Treason, Bribery, and other high Crimes and Misdemeanors, and tried, convicted, and punished accordingly, if evidence warrants.

DECLARATION: We The Sovereign People DEMAND and have the RIGHT, Guaranteed through The First Amendment to The Constitution for the United States of America, to have our Grievances heard impartially, with complete and total transparency; with appropriate Action, and due punishment and restitution exacted, upon confirmation of all, or any, of the hereinbefore named, or any other Grievances and Accusations not listed hereinbefore.

WE THE SOVEREIGN PEOPLE of these United States DEMAND this action be taken IMMEDIATELY for CAUSE. DATED this _____ day of _____, 2012.
